

CLAY UNION ELECTRIC CORPORATION

Vermillion, South Dakota

Policy No. 805

SMALL THREE PHASE

I. OBJECTIVE

To establish the rate to be charged for all small three phase services effective 5/1/2017.

II. CONTENT

A. This rate class shall be applied to all three phase services with a load that does not exceed 50kW non-coincidental demand 6 or more times in a calendar year. The monthly non-coincidental kW demand will be reviewed annually to determine continued small three phase rate eligibility.

B. The monthly rate shall be as follows:

| | |
|------------------------------|----------|
| Facility charge | \$ 65.00 |
| Energy charge per kWh | |
| First 1,800 kWh per month | \$.1100 |
| Excess kWh's | \$.082 |
| <i>Plus applicable taxes</i> | |

C. The minimum monthly charge shall be the facility charge plus applicable tax.

D. Members on this rate may qualify for an off peak credit. See Policy No. 602.

E. Those members receiving street lighting shall have the street lighting charge added to their bill.

F. In the event of an increase or decrease in the cooperative's wholesale power cost, the cooperative may adjust the member's bill to account for the change in its wholesale cost of power.

III. RESPONSIBILITY

The Manager shall be responsible for carrying out the provisions of this policy.
